## **Aileen Connelly**

Well Pharmacy

*The pharmacy assistant who stepped in to help in a medical emergency.*

Just before Christmas 2022, 30 patients were waiting to collect their prescriptions in the Balloch branch of Well Pharmacy. There were only three members of staff working. When a patient in the queue collapsed and hit their head badly on the floor, pharmacy assistant Aileen sprung into action and gave the patient first aid while an ambulance was called. Just then, another patient in the queue also collapsed. When they stopped breathing, Aileen made sure they were breathing again and made them feel comfortable. Once the ambulance arrived, she offered to call both patients' loved ones to let them know what had happened and make sure they got home safely.
