

HELD ON WEDNESDAY
SEPTEMBER 6, 2023
THE BREWERY, LONDON

ABOVE AND BEYOND INDIVIDUAL VOTE

Hassan Riaz

Sandbeds Pharmacy

The manager whose project has handed out over 1m food and drink items to families in need.

Hassan is spearheading a drive to ensure no one in his community goes to sleep hungry. He launched the Halifax Community Fridge in August 2020. It has become a lifeline for the community, with up to 90 families a day visiting it. The fridge has redistributed over one million food and drink items to local families and prevented an estimated 400,000 kilograms of CO2 emissions. The project has also handed out over 1,000 warm meals and brought the whole community together. It is open seven days a week, 365 days a year and Hassan co-ordinates the project alongside managing the busy Sandbeds Pharmacy. It is considered one of the main places those in the community can get support and has received national media coverage.
